

MEDX RCM

ONE STOP FOR ALL

CASE STUDY - Accounts Receivable Recovery

MedX RCM - Billing Excellence

Specialty	Home health
Services Provided	AR & billing Services
Medical Billing Software	Axxess

Client Profile:

A healthcare provider struggling with \$175,000 in aging Accounts Receivable and declining cash flow.

Approach:

MedX RCM conducted a full QA and coding audit, implemented structured corrections, and aligned processes with CMS standards.

Key Challenges:

- High AR aging
- Denied & unpaid claims
- Poor follow-ups
- Revenue leakage

Solutions Implemented:

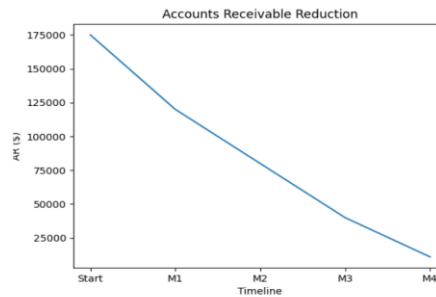

- Full AR audit
- Aggressive follow-ups
- Denial management & appeals
- Payment reconciliation

Results (Within 3 Quarters) :

- \$175,000 AR recovered
- 93.7% collection achieved
- Significant cash flow improvement

Conclusion:

MedX RCM successfully recovered the majority of aging AR, improving financial stability and ensuring consistent revenue flow for the client.
